

### **Matthew J. Miller Scholarship for the Arts**

This scholarship has been established in memory of Matthew J Miller, Class of GRHS '05. His true passions were music and theatre. He loved making people laugh; he was kind, big hearted, and loving. He infected the world with his charm and spirit in everything he did. His friends and family remember him for his kindness and friendliness towards all, especially those who needed a kind word or a hearty laugh. This scholarship has been assembled by his family, friends and classmates to continue his memory and values he instilled in all of us.

Candidates for this scholarship should have an interest in the arts: specifically music and/or theatre. They should be respected by both their peers, faculty and family. This candidate should have a passion for giving, and the ambition to provide love and support in everything they do.

Please list any extracurricular activities and write a brief essay describing a time you made the world a better place, or what you hope to accomplish in bettering the world around us (no examples are too big or too small).
