

**GLEN ROCK HIGH SCHOOL**

**DECEMBER 2018**

**CITIZEN OF THE MONTH**

The citizen of the month for December is a student with an unfaltering positive attitude and a strong desire to give back to those in need. For the holiday season, she was active in organizing a toy drive for the less fortunate, a resounding success from start to finish. She took the initiative to create and disperse flyers, as well as reaching out to local businesses for support. She not only coordinated with the businesses to pick up their donations, but she also took it upon herself to deliver all of the toys to the drop-off location. The toy drive proved to be a great success, which would not have been possible without her hard work, cheerful personality, and resolve.

Congratulations to the December 2018 Citizen of the Month:

**CAT MERKLE**
