

GLEN ROCK HIGH SCHOOL

NOVEMBER 2018

CITIZENS OF THE MONTH

Because they feel strongly about actively showing gratitude for others that give every single day, brothers Andy Martin, Class of 2021, and John Martin, Class of 2019, brought the 100, 000 THANK YOUS national letter-writing campaign to Glen Rock High School in November.

Working through English classes, John and Andy motivated almost the entire Glen Rock High School student body to create thank-you cards and letters for U.S. troops deployed overseas. They proposed the project, encouraged all English classes to participate in the days immediately preceding Thanksgiving, collected all of the cards from English teachers, and sent the cards and letters to Nashville, TN, where the project originated.

Glen Rock High School recognizes Andy Martin and John Martin as CITIZENS OF THE MONTH for November.
