

GLEN ROCK HIGH SCHOOL

FEBRUARY 2019

CITIZEN OF THE MONTH

The citizen of the month for February is a student with a tremendous attitude who is always willing to lend a helping hand. For the winter athletics season, she shared her talented singing voice performing the National Anthem at sporting events. She also has represented GRHS at the Bergen County Choir multiple times and has been featured in their concerts as a soloist. She is kind and helpful to her fellow choir singers, respectful of her teachers, and always willing to lend her talents for a good cause. Her beautiful voice was truly a highlight throughout the winter season and was great addition to the winter athletics pregame routine.

Congratulations to the February 2019 Citizen of the Month:
