

GLEN ROCK HIGH SCHOOL

JANUARY 2019

CITIZEN OF THE MONTH

For two years, Mira Fish has volunteered most of her lunch period to help in the Media Center. You can find her shelving books, helping to put up displays, covering books and even assisting Middle School students. She has become an endeared and valuable asset to the Media Center. She is also a member of the High School softball team and robotics team.

Over the holiday break, she was in Ethiopia, meeting and interacting with students and staff at the Ethiopian School of Readiness Initiative. Her grandfather is a founding member of the school, which provides quality pre-school to disadvantaged children and financial and vocational training to mothers.

Congratulations to the January 2019 Citizen of the Month –

MIRA FISH
