

GLEN ROCK HIGH SCHOOL

JANUARY 2018

CITIZEN OF THE MONTH

Our thanks to Nicholas McRae for taking on duties and responsibilities for the success of recent DECA competitions that were above and beyond expectations! Nick consistently leads students in his AP Economics class as they work through problems, and excels as well in his other classes.

In addition to providing assistance to teachers with classroom technology, he has led and coordinated presentations and technology for the various DECA club meetings all year long. He tirelessly volunteers to help – and is effective at doing so!

Congratulations to January 2018 Citizen of the Month:

NICHOLAS MCRAE
