

GLEN ROCK HIGH SCHOOL

DECEMBER 2017

CITIZEN OF THE MONTH

The citizen of the month for December is awarded to a senior who is a strong, reliable leader in the Glen Rock community. As the Bergen County representative for the *Sock It To Homelessness Program*, he started a sock drive at the high school to donate to local shelters. He also reached out to other coaches in the county to expand his collection. His goal was to donate close to 200 new pairs of socks. We salute him for his enthusiasm, strong efforts, and dedication to his community.

Congratulations to the December 2017 Citizen of the Month –
