Dear Parents:

We will be scheduling our mid-term exams for Tuesday, January 23 through Friday, January 26, 2018. These will be half days. Students will not be required to come to school for periods in which they do not have an exam (option periods and Physical Education). *Please note:*

1. Students **MUST** stay in the room for the full exam period.
2. In case of any emergency, the test schedule will be followed intact on the next day that school is in session.
3. No alternate arrangement should be made for students taking an exam at an alternate time without permission from the administration.
4. There are no senior exemptions for semester electives. Senior exemptions only apply to final exams for full year courses!
5. Any student who has missed an exam due to a verified absence must contact the teacher immediately upon return to school to arrange for a make-up exam.
6. If a student is absent on an exam day and the absence is verified, every attempt should be made to make up the exam during the exam periods or at the end of the shortened school day. *A student can use Option or Physical Education periods for make-ups.*

Our Media Center will be open for students between exams.
