Dear Incoming 9th Grader:

We are very happy and excited that you will be joining our high school community this September! I look forward to working with you on a number of projects, particularly those which best meet your interests, talents, and passions. As you may know, Glen Rock High School is one of the top high schools in the state and country. We expect your help in making this school the best it can be! Hopefully you have enjoyed your summer thus far and have spent quality time with family and friends. Please be sure you are adhering to deadlines regarding summer reading and related projects. We are very excited to show you our rotating/drop schedule, with longer periods as well as two periods that are dropped each day! We believe you will enjoy the increased freedoms given to you as a high school student. I will discuss this further at our upcoming orientation.

We have planned a brief orientation meeting with you for **Friday, September 1st** to assist in your transition to the high school. The program will start promptly at 1:00 pm in the Auditorium and will include a tour led by some of your peers. The entire program should run no longer than one hour. Please plan to attend so we can review the general high school schedule and guidelines. You will also meet some school staff and begin to acclimate yourself to the high school. We all look forward to seeing you on September 1st and working with you for the next four years. I am certain we will do great things together!

Sincerely,

Mr. John Arlotta
Principal
