

GLEN ROCK HIGH SCHOOL

FEBRUARY 2017

CITIZENS OF THE MONTH

The citizen of the month award for February goes to a terrific trio of energetic seniors who exemplify leadership, organization, enthusiasm, and hard work.

Collaboratively, they spearheaded this year's Interact Annual Fashion Show where they organized the models, the music, and the program. They also decorated the venue and canvassed businesses for raffle donations, as well as emceeing the evening looking their best in the latest prom fashions.

We owe our thanks and gratitude to these young people for their efforts on behalf of Interact goals and ideals. They are commended for a job well done in the planning and execution of such a successful event.

In addition, their enthusiasm carried over as they went on to support the Lord and Taylor's Fashion Show at the Garden State Plaza that weekend, once again giving back to the community.

Congratulations to the February 2017 Citizens of the Month –
