

GLEN ROCK HIGH SCHOOL

APRIL 2017

**CITIZENS OF THE MONTH**

The citizens of the month for April are the lead mentors for our program, *Pathways for Exceptional Children*. They have actively recruited new members and developed flyers to promote the program, which have been used by administrators and members of our *Child Study Team*. They have been instrumental in developing this year's activities. They have coordinated monthly events and been directly responsible for the program's continued growth.

Congratulations to the April 2017 Citizens of the Month –
