

GLEN ROCK HIGH SCHOOL

OCTOBER 2017

CITIZENS OF THE MONTH

The citizens of the month for October are the lead mentors for our program, *Pathways for Exceptional Children*. They have actively recruited new members and developed flyers to promote the program, which have been used by administrators and members of our *Child Study Team*. They have spoken at a recent SEPAC meeting and visited each elementary school to help promote the program. They have been instrumental in the program's recent "Be Wise" award. They continue to be instrumental in developing this year's activities.

Congratulations to the October 2017 Citizens of the Month –

KEVIN CALLAHAN
