

Glen Rock High School

Summary of Daily Schedule for the 2016-2017 School Year

This calendar indicates the rotation schedule for each day classes are in session, including those days when we are having special programs, minimum days (as noted in the calendar on page one of this handbook), or delayed openings (due to weather or emergencies). We will follow this schedule even if it is necessary to close the school for any reason; in these cases, the time will be attempted to be made up on the date(s) marked "R." Science labs will not meet on any Day "R." The shaded dates represent weekends, holidays, and vacation times. Each day (except for delayed openings) begins at 7:50 A.M. (Delayed openings begin at 10:00 A.M.)
