

GLEN ROCK HIGH SCHOOL

JANUARY 2020

CITIZEN OF THE MONTH

This student is a valued member of the 7-Elements Club, which plans and carries out activities in working toward social justice and equity for all people in our local and global communities. He participated in the club's main events last year, including the Syria Supper Club, the Moth Story Slam, and the Stamp-Out-Despair initiative. As Vice- President this year, he helped the club continue to grow. He worked on several collection drives to support people facing crisis situations such as food shortages and natural disasters. He also volunteers to cook meals at the Bloomfield Café in Bloomfield, and he helps collect food at Shop Rite for the Human Needs Food Pantry in Montclair.

Congratulations to the January 2020 Citizen of the Month:
