

Summer assignments for incoming SPA IV

A Plan (Netflix)

Summer is a time to relax, enjoy and keep on learning. This year I want you to keep on learning in a relaxing way. If you have Netflix or any other program to access to movies etc. I am providing you a list of movies, documentaries that will help you to keep on learning and have your hear used to the language. I advise you to use captions in English. It will really help you to put the two and two together.

I am providing you a list of movies etc. Please be sure they are adequate for your age. I have not seen all of them and some of them may have some vulgar vocabulary or images not good for your age.

Keep the list and make an x on the movies you watch. If you watch other movies etc. add them to the list. We will discuss them in September.
